

Alina Sonea

About the Role of Collective Memory  
in the Design Process

University of Liechtenstein, 2011

Abstract 8

## **Introduction**

Preface 11

Semester Theme 14

Research Question 16

Definitions 18

## **Chapter 1. Theory**

1.1 Introduction 22

1.2 Towards the Meaning of Collective Memory 24

1.3 Memory or History? 27

1.4 The Relation between Memory and Identity

1.5 Collective Memory and Architecture:  
The Theories of Aldo Rossi 32

1.6 Theoretical Motivation 38

## **Chapter 2. Applying the Theory:**

### **Collective Memory and the Design Process**

2.1 Relevant Facts in Schaan's History 43

2.2 The Train Station as Urban Artifact 50

2.3 Elements from Schaan's Identify 54

2.4 Design Process 58

2.4.1 Initial Mission Statement 59

2.4.2 Design and Program Evolution 69

2.4.3 The Power of the Roof: Inspirations 70

2.4.4 The Roof as symbol of protection 78

2.4.5 The Roof as a Future Vision:  
The Superstructure 102

2.4.6 The Roof as Circulation Path and  
Connection with the Industry:

**The Schaan NETwork 108**

## **Conclusions**

Answering the Research Question 140

Reflections and Self-Criticism 142

## **Appendices**
