Contents

1. Introduction	3
2. The Emergence of the Entrepreneurial Economy	12
2.1. <i>Small Has Become Beautiful Again</i>	12
2.2. <i>The Capital (Solow) Economy</i>	13
2.3. <i>The Knowledge (Romer) Economy</i>	16
2.4. <i>The Spatial Context</i>	20
2.5. <i>The Entrepreneurial Economy</i>	23
2.6. <i>Conclusions</i>	33
3. The Knowledge Spillover Theory of Entrepreneurship	34
3.1. <i>Linking Entrepreneurship and Knowledge</i>	34
3.2. <i>Entrepreneurship as Opportunity Recognition and Action</i>	36
3.3. <i>Knowledge Spillovers as Entrepreneurial Opportunities</i>	39
3.4. <i>Endogenous Entrepreneurship</i>	43
3.5. <i>Linking Endogenous Entrepreneurship to Growth</i>	51
3.6. <i>Conclusions</i>	58
4. Entrepreneurship Capital and Economic Performance	60
4.1. <i>Linking the Entrepreneur to Economic Performance</i>	60
4.2. <i>Entrepreneurship Capital</i>	61
4.3. <i>Linking Entrepreneurship Capital with Economic Performance</i>	62
4.4. <i>Models and Measurement</i>	68
4.5. <i>Conclusions</i>	j8
5. Endogenous Entrepreneurship	79
5.1. <i>Why Do People Start Firms?</i>	79
5.2. <i>The Spatial Context</i>	80
5.3. <i>The Role of Knowledge Spillovers in Creating Entrepreneurial Opportunities</i>	82
5.4. <i>An Empirical Test</i>	83
5.5. <i>Conclusions</i>	97

6.	University Spillovers and Entrepreneurial Location	98
	6.1. <i>University Entrepreneurship</i>	98
	6.2. <i>Localizing the Knowledge Spillover Theory of Entrepreneurship</i>	100
	6.3. <i>Linking Entrepreneurship to University Spillovers</i>	101
	6.4. <i>Measurement Issues</i>	10J
	6.5. <i>Results for Locational Proximity: Clustering of Firms and Proximity</i>	116
	6.6. <i>Conclusions</i>	122
7.	Entrepreneurial Performance	123
	j. i. <i>Location and Entrepreneurial Advantage</i>	123
	j. 2. <i>Linking Performance to Location</i>	125
	7.3. <i>Testing the Entrepreneurial Growth Hypothesis</i>	127
	7.4. <i>Stock Market Performance</i>	130
	7.5. <i>Conclusions</i>	134
8.	Entrepreneurial Access	136
	8.1. <i>Entrepreneurial Strategy for Absorbing Knowledge Spillovers</i>	136
	8.2. <i>Entrepreneurial Absorptive Capacity</i>	13j
	8.3. <i>Board Composition and Entrepreneurial Access</i>	138
	8.4. <i>Manager Selection and Entrepreneurial Access</i>	142
	8.5. <i>Conclusions</i>	145
9.	Entrepreneurial Finance	146
	9.1. <i>Entrepreneurship and Capital Markets</i>	146
	9.2. <i>Financing Entrepreneurship by Banks and Venture Capitalists</i>	147
	9.3. <i>Hypotheses on the Mode of Entrepreneurial Finance</i>	151
	9.4. <i>Linking Venture Finance to Entrepreneurial Performance</i>	15j
	9.5. <i>Conclusions</i>	160
10.	The Emergence of Entrepreneurship Policy	161
	10.1. <i>A Changing Paradigm</i>	161
	10.2. <i>The Solow Economy</i>	163
	10.3. <i>The Romer Economy</i>	167
	10.4. <i>The Entrepreneurial Economy</i>	1J0
	10.5. <i>Conclusions</i>	186
11.	Entrepreneurship as Creative Construction	187
