## The Theory of the Growth of the Firm

With a New Introduction by Christos N. Pitelis

Edith Penrose

FOURTH EDITION

## TABLE OF CONTENTS

Introduction by Christos N Pitelis Preface	ix xlviii
I Introduction	1
II The Firm in Theory	8
The Firm in the Theory of Price and Production	9
The Limits to Size	10
The"Firm'is not a Firm	12
The Firm as an Administrative Organization	13
The Function and Nature of the Industrial Firm	13
Size and Administrative Co-Ordination	16
Industrial Firms and Investment Trusts	17
Continuity in the 'History' of a Firm	20
The Firm as a Collection of Productive Resources	21
The Motivation of the Firm	23
The Profit Motive	23
Long-Run Profits and Growth •	26
III The Productive Opportunity of the Firm and the 'Entrepreneur'	28
The Role of Enterprise and the Competence of Management	30
Entrepreneurial versus Managerial Competence	31
The Quality of Entrepreneurial Services	32
Entrepreneurial Versatility	32
Fund-Raising Ingenuity	34
Entrepreneurial Ambition	35
Entrepreneurial Judgment	37
The Role of Expectations in the Productive Opportunity	
of the Firm	37
IV Expansion Without Merger: The Receding Managerial Limit	39
The Nature of the Managerial Limit •	40
The Management 'Team'	41
Release of Managerial Services •	45
The Growth of Managerial Services .	46

The Receding Limit and the 'Static' Approach	49
The Effect of Uncertainty and Risk	50
Uncertainty and Information	52
Risk and Unavoidable Uncertainty	54
V 'Inherited' Resources and the Direction of Expansion	58
The Continuing Availability of Unused Productive Services	60
Indivisibility and the 'Balance of Processes'	61
The Specialized Use of Resources •	63
The Heterogeneity of Resources	66
Interaction between Material and Human Resources	67
The Creation of New Productive Services	69
'Demand' and the Productive Resources of the Firm	71
What is the Relevant Demand?	71
The Direction of Expansion	75
VI The Economies of Size and the Economies of Growth "	78
The Economies of Size	79
Technological Economies	80
Managerial Economies	82
Economies in Operations and Economics in Expansion	84
The Economies of Growth	87
Disappearing versus Enduring Economies	89
VII The Economics of Diversification	92
Meaning of Diversification	94
'Areas of Specialization'	97
The Specific Opportunities for Diversification	98
The Importance of Industrial Research	99
The Significance of Selling Efforts	102
The Importance of a Technological Base	104
Some Examples	105
The Role of Acquisition	112
The Role of Competition	116
The Necessity of Continued Investment in Existing Fields	116
Full-Line Diversification	118
Competition and Diversification into New Areas	• 120
Diversification as a Solution to Specific Problems	122
Temporary Fluctuations in Demand	122
Permanent Adverse Changes in Demand	125
The Direction of Diversification	125
Diversification as a General Policy for Growth	126
Vertical Integration	128
The Firm as a Pool of Resources	132

The Economic Basis of Acquisition138Personal Considerations and Special Situations139Critical Points in the Process of Expansion142The Competitive Expansion of Alpha145Where Beta Blocks the Expansion of Alpha148Combination151The Purchase'and Sale of 'Businesses' that are not Firms152Economic Basis for the Sale of a'Business'154Effect on the Process of Growth157The Appropriateness of Diversification158The Role of Entrepreneurial Services160Entrepreneurial Temperament and the Profit Motive160Empire-Building and Merger163Role of Managerial Services166The Necessity of Administrative Integration167Merger and the Dominant Firm170IX The Rate of Growth of a Firm Through Time172Special Assumptions173Measurability173The Fundamental Ratio175Managerial Services Available for Expansion180Character of Expansion181Relation to Existing Activities and.Market Conditions179Managerial Services Required for Expansion184Changes in the Rate of Growth with Increasing Size186The Position of Small Firms191Competitive Handicaps, Especially Finance192The Continued Existence of Small Firms193Opportunities for Growth194Threstices' in a Growing Economy196The Principle of Comparative Advantage197XI Growing	VIII Expansion Through Acquisition and Merger-	135
Critical Points in the Process of Expansion142The Competitive Expansion of Alpha145Where Beta Blocks the Expansion of Alpha148Combination151The Purchase'and Sale of 'Businesses' that are not Firms152Economic Basis for the Sale of a'Business'154Effect on the Process of Growth157The Appropriateness of Diversification158The Role of Entrepreneurial Services160Entrepreneurial Temperament and the Profit Motive160Empire-Building and Merger163Role of Managerial Services166The Necessity of Administrative Integration167Merger and the Dominant Firm170IX The Rate of Growth of a Firm Through Time172Special Assumptions173Measurability173The Fundamental Ratio175Managerial Services Available for Expansion176Increase in the Administrative Task with Growth176Impact of Changing Environmental Conditions179Managerial Services Required for Expansion181Relation to Existing Activities and Market Conditions183Method of Expansion184Changes in the Rate of Growth with Increasing Size186The 'Growth Curve'186X The Position of Large and Small Firms in a Growing Economy193Opportunities for Growth194'Interstices' in a Growing Economy196The Continued Existence of Small Firms193Opportunities for Growth194'Int		138
The Competitive Expansion of Alpha145Where Beta Blocks the Expansion of Alpha148Combination151The Purchase'and Sale of 'Businesses' that are not Firms152Economic Basis for the Sale of a'Business'154Effect on the Process of Growth157The Appropriateness of Diversification158The Role of Entrepreneurial Services160Entrepreneurial Temperament and the Profit Motive160Empire-Building and Merger163Role of Managerial Services166The Necessity of Administrative Integration167Merger and the Dominant Firm170IX The Rate of Growth of a Firm Through Time172Special Assumptions173Measurability173The Fundamental Ratio176Increase in the Administrative Task with Growth176Impact of Changing Environmental Conditions181Relation to Existing Activities and.Market Conditions183Method of Expansion181Changes in the Rate of Growth with Increasing Size186The 'Growth Curve'186X The Position of Large and Small Firms in a Growing Economy191Competitive Handicaps, Especially Finance192The Continued Existence of Small Firms191Competitive Handicaps, Especially Finance192The Principle of Comparative Advantage197XI Growing Firms in a Growing Economy: The Process of194Industrial Concentration and the Pattern of Dominance201	Personal Considerations and Special Situations	139
The Competitive Expansion of Alpha145Where Beta Blocks the Expansion of Alpha148Combination151The Purchase'and Sale of 'Businesses' that are not Firms152Economic Basis for the Sale of a'Business'154Effect on the Process of Growth157The Appropriateness of Diversification158The Role of Entrepreneurial Services160Entrepreneurial Temperament and the Profit Motive160Empire-Building and Merger163Role of Managerial Services166The Necessity of Administrative Integration167Merger and the Dominant Firm170IX The Rate of Growth of a Firm Through Time172Special Assumptions173Measurability173The Fundamental Ratio176Increase in the Administrative Task with Growth176Impact of Changing Environmental Conditions181Relation to Existing Activities and.Market Conditions183Method of Expansion181Changes in the Rate of Growth with Increasing Size186The 'Growth Curve'186X The Position of Large and Small Firms in a Growing Economy191Competitive Handicaps, Especially Finance192The Continued Existence of Small Firms191Competitive Handicaps, Especially Finance192The Principle of Comparative Advantage197XI Growing Firms in a Growing Economy: The Process of194Industrial Concentration and the Pattern of Dominance201	Critical Points in the Process of Expansion	142
Combination151The Purchase'and Sale of 'Businesses' that are not Firms152Economic Basis for the Sale of a'Business'154Effect on the Process of Growth157The Appropriateness of Diversification158The Role of Entrepreneurial Services160Entrepreneurial Temperament and the Profit Motive160Empire-Building and Merger163Role of Managerial Services166The Necessity of Administrative Integration167Merger and the Dominant Firm170IX The Rate of Growth of a Firm Through Time172Special Assumptions173Measurability173The Fundamental Ratio175Managerial Services Available for Expansion176Increase in the Administrative Task with Growth176Ingact of Changing Environmental Conditions179Managerial Services Required for Expansion181Character of Expansion184Changes in the Rate of Growth with Increasing Size186The 'Growth Curve'186X The Position of Large and Small Firms in a Growing Economy192The Continued Existence of Small Firms193Opportunities for Growth194• 'Interstices' in a Growing Economy196The Principle of Comparative Advantage197XI Growing Firms in a Growing Economy: The Process of194XI Growing Firms in a Growing Economy: The Process of194		145
