1. Exposition
  - 1.1. Hephaestus as myth
  - 1.2. Hephaestus as change
  
2. Thesis
  - 2.1. Introduction
  - 2.2. Thesis Investigation
  - 2.3. Foundations
  - 2.4. Rationalism and architecture
  - 2.5. Rhetoric and truth
  - 2.6. Technological adoption
  - 2.7. Design in the age of rational tools
  
3. Technology
  - 3.1. Digital Technology
  - 3.2. Design Technology: State of the art
  - 3.3. Architectural Technology
  - 3.4. Material Technology
  - 3.5. Construction Technology
  - 3.6. Technology conclusions
  
4. Theory
  - 4.1. Systems Theory
  - 4.2. Tool Theory
  - 4.3. Design Theory
  
5. Practical Investigations
  - 5.1. Objectives
  - 5.2. Methodology
  - 5.3. Investigations: Control
  - 5.4. Investigations: Prediction
  - 5.5. Investigations: Processing
  - 5.6. Findings
  
6. Conclusions
  - 6.1. Bifurcation
  - 6.2. Reflective Practice
  - 6.2. Paradigm-shift
