

# **Sou Fujimoto**

Architecture Works 1995-2015

- 1 Place of both separation and connection
- 2 Architecture as gradation between interior and exterior
- 3 House as city, City as house
- 4 Interior items / furniture / room / architecture / street / city / landscape
- 5 Living within a chiaroscuro of infinite floating matters
- 6 Architecture as forest
- 7 Many many many
- 8 Stratified terrain / Undulated architecture
- 9 Architecture as variety of flow
- 10 Soft order born from local interrelationships
- 11 Architecture – connecting past, present, and future
- 12 Between nature and artifice
