

STRATEGY  
BEYOND THE  
HOCKEY STICK

PEOPLE, PROBABILITIES, *and*  
BIG MOVES *to* BEAT THE ODDS

<b>Introduction: Welcome to the strategy room</b>	<b>1</b>
You are not alone	2
The villain is the social side of strategy	4
Where is the outside view?	6
Making big moves happen	8
The journey ahead of us	9
<b>1. Games in the strategy room—and why people play them</b>	<b>13</b>
The social side of strategy, in action	15
The dreaded hockey stick	17
Can we handle the truth?	20
Playing the inside game	21
Send in the guru	22
The wrong problem for human brains	23
The biased mind	25
Now . . . add social dynamics to the mix	27
When the inside view remains unchecked	31
<b>2. Opening the windows of your strategy room</b>	<b>37</b>
The right yardstick	40
Your business lives on a Power Curve	42
What we see on the map	44
Why you are where you are	49
A fresh perspective with the outside view	53
<b>3. Hockey stick dreams, hairy back realities</b>	<b>57</b>
The rise of the hairy back	58
Getting to yes	60
A haircut from finance	60
Bold forecasts	62
Timid plans	68
Corporate peanut butter	70
Shooting for the known	70
Real hockey sticks	72

<b>4. What are the odds?</b>	<b>75</b>
The knowable probability of success	77
Flight paths of the upwardly mobile	80
A tale of three companies	83
Where are the odds in the strategy room?	85
The push for certainty	87
You are your numbers	89
<b>5. How to find the real hockey stick</b>	<b>93</b>
What's different this time?	94
Check the facts	95
The odds that matter: Yours	96
The 10 variables that make the difference	99
Endowment	100
Trends	101
Moves	102
It all matters	103
The mobility dashboard	105
Know the odds	109
Is that all?	110
<b>6. The writing is on the wall</b>	<b>115</b>
A very different conversation about strategy	118
Tennis or badminton?	119
Industries are escalators	120
Change your industry or change industries	123
Consider changing locations, too	124
Go micro	125
The need for privileged insights	127
Acting on the writing on the wall	128
The four stages of a disruptive trend	130
Stage one: Signals amid the noise	132
Stage two: Change takes hold	134
Stage three: The inevitable transformation	136
The hardest stage	136
Stage four: Adapting to the new normal	139

<b>7. Making the right (big) moves</b>	<b>143</b>
Big moves are essential	146
Coming's story	150
Programmatic M&A and divestitures	150
Active resource re-allocation	152
To re-allocate, you have to de-allocate	156
Strong capital programs	156
Caution on capex	158
Distinctive productivity improvement	158
Running fast and getting nowhere	159
Differentiation improvement	162
Are you playing to your advantage?	165
Big moves make for good strategy	166
<b>8. Eight shifts to unlock strategy</b>	<b>173</b>
From annual planning ... to strategy as a journey	175
From getting to "yes" ... to debating real alternatives	177
From peanut butter ... to picking your 1-in-10s	181
From approving budgets ... to making big moves	184
From budget inertia ... to liquid resources	188
From sandbagging ... to open risk portfolios	190
From "you are your numbers" ... to a holistic performance view	193
From long-range planning ... to forcing the first step	196
The package deal	198
<b>Epilogue: New life in the strategy room</b>	<b>201</b>
<b>Acknowledgments</b>	<b>205</b>
<b>Appendix</b>	<b>207</b>
About our sample and method	207
A note on economic profit and total returns to shareholders	209
How the odds look different from the top or bottom	209
Life at the top	211
Life at the bottom	211
<b>Notes</b>	<b>215</b>
<b>Index</b>	<b>227</b>
