- Article 10: Dividends
- Article 11: Interest
- Article 12: Royalties
- Article 13: Capital gains
- Article 14: Independent personal services
- Article 15: Income from employment
- Article 16: Directors' fees
- Article 17: Entertainers and sportspersons
- Article 18: Pensions
- Article 19: Government service
- Article 20: Students
- Article 21: Other income
- Article 22: Capital
- Article 23: Double tax relief
- Article 24: Non-discrimination
- Article 25: Mutual agreement procedure
- Article 26: Exchange of information
- Article 27: Assistance in the collection of taxes
- Article 28: Diplomats
- Article 29: Entitlement to Benefits
- 'Most favoured nation' articles
- Interpretation of tax treaties
 - Significance of the OECD Commentary
 - What definitions should be used?
 - The 'competent authority' process
- Double tax treaty override - further detailed consideration
 - Remedies available if a state overrides its treaties
 - Tax treaty override by the United States
- Use of multilateral treaties
- Further reading
- Further Study
 - Interpretation of tax treaties

Chapter 8 Internationally Mobile Employees

- Basics
- Introduction
- General principles
- Article 15 of the OECD Model
 - International hiring out of labour
 - International hiring out of labour - UK position
 - International hiring out of labour - China
- International ship, boat and aircraft crew
- Remunerating internationally mobile employees

Share incentives	181
Directors' remuneration	182
Tax equalization arrangements	183
Social security arrangements	184
Further reading	185
Chapter 9 Permanent Establishments	187
Basics	187
General introduction	189
Fixed place of business	191
What is meant by 'fixed'?	192
Duration of presence	193
Whose business?	193
The premises of agents	195
Is it 'at the disposal' of the foreign enterprise?	196
Fixed place of business: examples	197
Construction sites	197
Time limit	198
One site or several?	198
'Preparatory or auxiliary' activities	200
The anti-fragmentation rule	202
Agency PEs	204
Dependent agents	205
Independent agents	207
Commissionaire arrangements	208
Group companies as PEs	210
UN MTC: fixed place of business	211
The 'services' permanent establishment	211
Dependent agent under the UN Model	211
Domestic law	211
Attribution of Profits to PEs	212
Article 7	212
The Authorised OECD Approach (AOA)	214
Step 1: the functional and factual analysis	214
Step 2: allocating profits to the PE	216
Fragmented activities	220
Allocation of profits to dependent agent PEs	220
The UN Model - 'force of attraction' principle	221
PE - an outdated concept?	222
The Digital Economy	223
Issues identified in BEPS Action 1	225
Further reading	230
Further study	232
Commissionaire Arrangements	232
Chapter 10 Taxation of Cross-border Services	237
Basics	237
Cross-border trade in services	238

Types of cross-border services	239
Possible tax treatment of cross-border services	240
Withholding tax on payments for services	241
Services in the Model Tax Conventions	242
Deemed services PEs	242
How Article 5 applies to services	243
The services PE and the independent personal services	
Article in the UN MTC	244
The services PE in the OECD Commentary	246
Meaning of ‘same or connected projects’	250
Basis of taxation	251
Place of performance of the services	252
Location where services are utilized	252
A base erosion approach: the place of payment	253
Services in ‘construction’ PEs	253
Insurance services	255
Royalties or technical service fees?	256
Interaction of articles concerning services	259
Further reading	260
Chapter 11 Introduction to Tax Havens	262
Basics	262
Rationale for the use of tax havens	263
What is a tax haven?	264
Types of tax havens	266
Growth of the offshore financial sector	267
Early history	267
Scale of tax haven usage	269
The banking sector	270
Tax havens and the UK government	272
Tax havens and the US government	272
Tax havens and tax evasion	273
Which countries are tax havens?	274
The EU Haven Blacklist	274
NGO estimates of haven usage	275
The future of tax havens	278
Further reading	279
Chapter 12 Foreign Expansion: Structure and Location	282
Basics	282
Choosing the business structure	283
Structuring: using a foreign branch	283
Structuring: using a foreign subsidiary	285
Converting a branch to a subsidiary	288
Corporate inversions	288
Host country considerations	289
Converting a branch into a subsidiary	291
The US ‘check the box’ rules	295
Further reading	298

Chapter 13 Finance and Treasury Management	300
Basics	300
Financing multinational enterprises	302
Equity or debt?	303
The Group treasury function	307
Foreign exchange exposure	308
Maximizing deductible interest: basic strategies	308
Effect of tax incentives/special tax regimes	309
Effect of double tax relief by credit	310
General tax treaty issues	312
Further reading	314
Chapter 14 Transfer Pricing Practice	316
Basics	316
Introduction and key principles	317
Scale of transfer pricing	318
The basic problem illustrated	319
Arm's-length principle	320
A very brief history of transfer pricing legislation	321
Role of the OECD	322
OECD Guidelines	323
Comparability Analysis	324
Transfer Pricing Methods	327
Transaction based methods	327
Cost plus	330
Transactional profits-based methods	331
The Canadian Glaxo case	338
Business restructuring	340
Intangibles	341
Hard to value intangibles	342
Cost contribution arrangements	343
Commodity transactions	346
Low value-adding intragroup services	346
Industry focus - the pharmaceutical industry	347
Research and development	347
Marketing expenses	348
Validity of the arm's-length principle	349
Global formulary apportionment	350
Further reading	353
Chapter 15 Transfer Pricing Administration	356
Basics	356
Transfer pricing documentation requirements	356
Requirement that documentation be contemporaneous	358
Tax authorities' risk assessment	358
Country by country reporting	358
Resolution of disputes	360

- Mutual Agreement Procedure
- The EU Arbitration Convention and transfer pricing
- Penalties
- Advance pricing agreements
 - Contents of an advance pricing agreement request
 - Stages in the negotiation
- Further reading

Chapter 16 Anti-avoidance rules: Structure

- Basics
- CFC legislation - introduction
 - How CFC legislation works
 - Parent company v foreign to foreign ‘base-stripping’
 - Brief History of CFC legislation
- General approach to CFC legislation
- CFC legislation in practice
 - When is a foreign company a CFC?
 - Level of foreign income or tax
 - Defining CFC income
- Applying CFC legislation
- Legality of CFC legislation
- Captive insurance companies
 - Protected cell companies
- Cross-border entity arbitrage
 - Hybrid arrangements
 - Consequences of using hybrid entities
- Preventing entity arbitrage
 - BEPS Action 2: domestic proposals
 - Connected persons
 - Rules for hybrid entities
- Application of CFC rules to hybrid entities
 - Blending of tax rates
- Branch mismatches
- Further reading

Chapter 17 Anti-avoidance rules: Finance

- Basics
- Restrictions on interest deductions
 - Thin capitalization rules
 - BEPS Action 4 - Limiting deductions for interest
- Hybrid financial instruments
- Preventing arbitrage
 - BEPS Action 2: anti-arbitrage proposals for domestic laws
- Further reading

Chapter 18 Improper Use of Treaties	428
Basics	428
Treaty shopping	429
Withholding taxes	431
Countering improper use of tax treaties	434
BEPS Action 6	436
Objective limitation of benefits test: US Model and BEPS Action 6	452
The ‘qualifying person’ approach - general considerations	452
The structure of the limitation of benefits articles in the US MTC and BEPS Action 6	453
The ‘publicly traded’ test	453
Not-for-profit organizations and pension funds	454
The ‘ownership/base erosion’ test	455
The ‘derivative benefits’ test	456
The ‘active business’ test	457
The ‘group headquarters’ test	458
A rule covering collective investment schemes	459
A ‘triangular’ test concerning permanent establishments	459
A ‘special tax regime’ test	462
A discretionary test	463
Limitation of benefits in the UK-US Treaty - link to the dividends article	463
Principal purposes test	464
The UN Model Tax Convention	467
Change to the tie-breaker rule for company residence	467
The India-Mauritius Double Tax Treaty	468
Future of the India-Mauritius Treaty as a conduit for investment into India	471
Further reading	473
Chapter 19 European Corporation Tax Issues	476
Basics	476
Introduction	476
EU principles affecting tax issues	477
The ‘fundamental freedoms’	477
Constitutional issues in the EU	478
The Directives	480
Merger Directive	480
Parent/Subsidiary Directive	483
Interest and Royalties Directive	484
Mutual Assistance for the Recovery of Tax Claims Directive	484
Directive on Administrative Cooperation in the Field of Taxation	486
Savings Directive	488
Anti-Tax Avoidance Directive	489

DAC6 Mandatory Disclosure	490
Dispute Resolution Directive	491
Judicial Review	491
CJEU decisions	491
State Aid	493
Soft Law	495
The EU Code of Conduct	495
EU Tax Transparency Package	495
Action Plan for Fair and Efficient Corporate Tax in the EU	496
EU Digital Package	497
Report on financial crimes, tax evasion and tax avoidance	497
Patent boxes	497
Agreements with third countries	498
EU-Swiss Tax Transparency Agreement	498
European Economic Area Agreement	498
Brexit	499
Harmonization of direct taxation	499
Common consolidated corporate tax base	499
Going forward	505
Further reading	505
Chapter 20 Indirect Taxes	509
Basics	509
How value added tax works	510
Partial exemption	513
Cross-border trade and value added tax	513
An international framework: the OECD's Guidelines	514
Destination system	515
Origin system	515
Exports of goods in a destination system - 'place of supply'?	516
Imports of goods in a destination system - the 'reverse charge' system	517
Temporary imports	520
Postponement of import value added tax on goods	520
Cross-border supplies of goods within the EU	521
Intra-Community supplies of goods: the 'transitional' regime	522
Current EU regime	522
Multiple registration problem	523
EU Developments	524
VAT on cross-border supplies of services	525
OECD's VAT Guidelines	525
Supplies of services within the EU	531
EU rules on supply of B2B services	531
B2B services connected with land	532
Place of supply: B2B transport services	533
EU rules on supply of B2C services	533
VAT Fraud	534
EU Missing Trader Intra-Community fraud	535

Missing Trader Intra-Community fraud: simple acquisition fraud	536
Missing Trader Intra-Community fraud: involving a non-EU country	537
Approaches to tackling Missing Trader Intra-Community fraud	537
Customs and excise duties	539
Customs duties	540
Excise duties	541
Issues common to both customs and excise duties	542
Further reading	544
Chapter 21 Tackling Tax Evasion	547
Basics	547
Economic and political sanctions	549
Information exchange and transparency	550
Bilateral tax information exchange agreements	551
The ‘internationally agreed standard’	554
The OECD Common Reporting Standard	557
The OECD/Council of Europe Multilateral Convention on Mutual Administrative Assistance in Tax Matters	560
The US Foreign Account Tax Compliance Act	562
Intergovernmental Agreements	563
Comparing FATCA with the OECD’s Common Reporting Standard and the DAC	565
Automatic exchange of information	566
Exchange of information and tax transparency within the EU	567
The ‘Rubik’ agreements	568
EU-Switzerland Tax Transparency Agreement	569
Too many regimes?	569
Offshore voluntary disclosure programmes	570
OVDPs in practice	572
The US Offshore Voluntary Disclosure Programs	573
Voluntary disclosure programmes in the UK	574
The problem with voluntary disclosure programmes	575
Legal action against intermediaries	577
US action against UBS	578
The Panama papers	579
Further reading	580
Chapter 22 Tax and Development	583
Basics	583
Introduction	583
Tax policy in developing countries	584
Tax expenditures in developing countries	586
International tax and developing countries	587
Transfer pricing	587
Double tax treaties	589
Attracting foreign direct investment through the use of tax incentives	589

Contents

Reduced corporate tax rates and tax holidays	591
Investment allowances and credits	592
Administration of tax incentives	592
What do host governments hope to achieve?	593
Home country dilution of tax incentives	594
Tax competition and development	595
BEPS and developing countries	595
Extractive Industries	597
Further reading	597
Appendix Articles of the OECD Model Tax Convention on Income and Capital	600
<i>Index</i>	625
