Table of contents: Glossary

- 10 Notes regarding the assembly of the glossary
- 12 Definitions
- 184 List of terms
- 192 Bibliographic sources
- 206 List of terms by author
- 220 Bibliographic sources by year
- 232 Endnotes

TABLE OF CONTENTS: ESSAY

II

PREFACE

- A glossary of urban voids
- What does the term urban void imply?
- How to define something without naming it?
- What is the image of the urban void?
- Notes regarding the structure of the essay

31

I. URBAN VOIDS

- Vacancy
- Voids of the urban fabric
- On the origins of the term urban void
- “Terrain Vague”
- Internal yet external to the city
- The exterior of a pervasive interior

51

2. AN ALTERNATIVE TYPE OF PUBLIC SPACE

- Terrain vague versus public space
- Open or public?
- Accessibility
- The conundrum of public property
- Publicness out of emptiness
- A return to culture? A return to nature?

73

3. INTERVALS OF SPACE

- Holes within the continuous city fabric
- States of suspension
- Curation as publicness
- Self-determination as publicness
- Recirculation as publicness

91

4. GAPS OF TIME

- Is temporality an intrinsic characteristic or an emerging quality?
- Interruptions within hegemonic spatial discourses
- Temporary and autonomous zoning
- Extracted openness and inserted publicness

TABLE OF CONTENTS: ESSAY

143

5. THE WHITEOUT EFFECT

- What effects does a whiteout process have?
- Opportunities in inherent exteriors
- Subjectivities from places outside of culture
- Reflections of empty mirrors
- Inversions of representations

159

6. UNSPECIFIED AND UNDERSPECIFIED

- Neither this nor that
- Places that just are and that are designed for people to just be
- The unnamable complex
- Unspecified programs
- Underspecified grounds
- We know what they look like

175

7. UNNEUTRAL NEUTRALITY

- Patterned reality
- Neutrality as divorce between intention and act
- Neutrality as commitment
- Neutral buffers
- Blankness as break between frame and content
- Blankness as commitment
- Blank or empty spaces

193

8. VOIDS AS THINGS

- A thing is a hole in a thing it is not
- How to design a void
- Protecting the void I
- Protecting the void II
- Neglecting reconciliation
- Neglecting codification

215
