

**Information Dissemination in Financial Markets  
Three Experimental Studies**

Matthias Herrmann-Romero  
FS160051

Doctoral thesis

to obtain the degree of  
Doctoral of Philosophy in Business Economics

University of Liechtenstein  
Program: PhD in Business Economics

Supervisor: PD Dr. Martin Angerer  
Co-Supervisor: FH-Prof. PD Dr. Thomas Stöckl

Working period: 01/02/2019 to 17/10/2022

Date of submission: 17/10/2022

## Table of Contents

<b>Acknowledgments</b>	<b>I</b>
<b>Abstract</b>	<b>II</b>
<b>1 Introduction</b>	<b>1</b>
1.1 Relevance of the Topic . . . . .	1
1.2 Implementation and Summary of Research Papers . . . . .	2
1.3 Methodological Approach . . . . .	6
1.4 Overview of Studies . . . . .	7
<b>References</b>	<b>8</b>
<b>2 Give to Get - Costly Information Sharing in Trading Networks</b>	<b>11</b>
2.1 Introduction . . . . .	12
2.2 Related Literature . . . . .	14
2.3 Experimental Design . . . . .	16
2.3.1 Endowment and Private Signals . . . . .	17
2.3.2 Treatments . . . . .	18
2.3.3 Trading Stage . . . . .	20
2.4 Hypotheses . . . . .	21
2.4.1 Hypotheses Set 1 . . . . .	21
2.4.2 Hypotheses Set 2 . . . . .	21
2.5 Results . . . . .	22
2.5.1 Reward Types and Dissemination Modes . . . . .	22
2.5.2 WTA-WTP Disparity . . . . .	28
2.5.3 Accuracy of Aggregated Information . . . . .	31
2.5.4 Trading Performance . . . . .	31
2.6 Conclusion . . . . .	34
<b>References</b>	<b>35</b>
<b>Appendices</b>	<b>37</b>
Appendix A Additional Analyses . . . . .	37
A.1 Network Stage . . . . .	37
A.2 Trading Stage . . . . .	38
Appendix B Instructions . . . . .	41
B.1 Section I . . . . .	41

B.2	Section II . . . . .	44
<b>3</b>	<b>Ally or Rival - Information Sharing with Network Members or Partners</b>	<b>57</b>
3.1	Introduction . . . . .	58
3.2	Related Literature . . . . .	59
3.3	Experimental Design . . . . .	62
3.3.1	Network Stage and Treatments . . . . .	62
3.3.2	Trading Stage . . . . .	66
3.3.3	Implementation . . . . .	67
3.4	Hypotheses . . . . .	68
3.4.1	Hypotheses Set 1 . . . . .	68
3.4.2	Hypotheses Set 2 . . . . .	69
3.5	Results . . . . .	70
3.5.1	Drivers of Information Sharing Frequency . . . . .	70
3.5.2	Drivers of Information Distortion . . . . .	74
3.5.3	Use of Received Information . . . . .	77
3.6	Conclusion . . . . .	81
	<b>References</b>	<b>82</b>
	<b>Appendices</b>	<b>86</b>
Appendix C	Additional Analyses . . . . .	86
C.1	Network Stage . . . . .	86
C.2	Trading Stage . . . . .	87
Appendix D	Instructions . . . . .	88
D.1	Section I . . . . .	88
D.2	Section II . . . . .	91
<b>4</b>	<b>Golden Eye - How Traders Select and Focus on Information</b>	<b>101</b>
4.1	Introduction . . . . .	102
4.2	Related Literature . . . . .	103
4.3	Research Design . . . . .	104
4.3.1	Screen Designs . . . . .	105
4.3.2	Asset Market Designs . . . . .	107
4.3.3	Elicitation of Personal Characteristics . . . . .	108
4.3.4	Implementation . . . . .	110
4.4	Hypotheses . . . . .	110
4.4.1	Hypotheses Set 1 . . . . .	111

4.4.2	Hypotheses Set 2 . . . . .	111
4.4.3	Hypothesis Set 3 . . . . .	112
4.5	Results . . . . .	112
4.5.1	Measurement and Analysis . . . . .	112
4.5.2	Impacting Factors on Attentional Focus and Information Selection . . . . .	113
4.5.3	Time Trends in Attentional Focus and Information Selection . . . . .	117
4.5.4	Attentional Focus and Trading Decisions . . . . .	119
4.5.5	Attentional Focus and Trading Performance . . . . .	121
4.6	Conclusion and Outlook . . . . .	123
<b>References</b>		<b>124</b>
<b>Appendices</b>		<b>128</b>
Appendix E	Additional Analyses . . . . .	128
E.1	Trading Patterns . . . . .	128
E.2	Eye-Tracking Analysis . . . . .	130
Appendix F	Instructions . . . . .	144
F.1	Section I . . . . .	144
F.2	Section II . . . . .	147
